"Lynn has become a valuable spokesperson for the Partnership. Her voice is powerful and Lynn's commitment to using her experience to help others is considerable."

-Stephen J Pasierb

President,
Partnership For A Drug Free America

"This very personal account of one young woman's courageous journey is gripping and inspiring."

-Nancy Cartwright

Voice of Bart Simpson

"Lynn was informative, motivational, believable, and passionate. I would strongly recommend other colleges and universities to bring this very dynamic young woman to their campus in order to help a population of students searching for something outside themselves that as Lynn demonstrated, really doesn't exist."

-Eileen E. Hineline

Student Health Services, Barry University, FL
